Mrs Warrington
Headteacher

Dear Parents and Carers,

We are looking forward to welcoming the *Happy Puzzle Company* into school on Monday 29th June, where children will take part in a range of engaging puzzle activities throughout the day.

This special day has been arranged as a whole-school reward for the children, who have collectively achieved an incredible 60,000 House Points. This is a truly fantastic accomplishment and reflects what a hardworking, respectful and wonderfully behaved school community we have. The children will take part in timetabled puzzle sessions across the day, giving everyone the opportunity to enjoy the experience.

We would also like to take this opportunity to say a heartfelt thank you to our wonderful PSA, who are funding this experience. On behalf of all the children, we are incredibly grateful to our parents, families and staff who work tirelessly to support the school. Opportunities such as this—and many of our trips and visiting experiences—simply would not be possible without your continued support.

As part of their visit, the company will also be running a Puzzle Shop after school for families. This will be available from 3:20pm in the school hall.

The shop will offer a selection of high-quality educational puzzles and games designed to further develop children's thinking, problem-solving and teamwork skills following the day's activities. Parents will also receive a **10% discount** on purchases made on the day.

The company have asked me to pass on that they accept both cash and card payments, and all purchases are entirely optional.

We hope many of you will be able to join us and take a look at what is on offer.

Kind regards,

Mrs Warrington,
