**Sewing Club** for children in Year 1 and Year 2 on Thursdays 3:20 – 4:20 with Miss Evans (12 places)  
**Please book through parent booking system**

**Join Our Sewing Group!**

We're excited to offer children the chance to join our new Sewing club, where creativity and practical skills come together. Children will learn basic stitching, explore fun projects, and build confidence as they create their own handmade items. It's a wonderful opportunity to develop patience, problem-solving, and fine motor skills—all while having fun with friends.

**Handbells** for children in KS2 on Thursdays 3:20 – 4:20 with Mrs Hope (12 places) **Please book through parent booking system**

**Handbells Group – New Members Welcome!**

We're excited to offer the children the chance to join our lively Handbells group this term. Playing handbells is a fun way to explore music, develop rhythm, and build teamwork skills. No prior musical experience is needed—just enthusiasm and a willingness to learn. The group will rehearse weekly and will perform at school events later in the year.

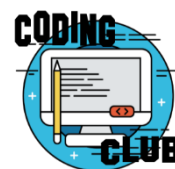

**Times Tables Rock stars** – Yrs 2 – Y6, Monday lunchtime club with Miss Doyle.

Ready to become a legend? Join our lunchtime **Times Tables Rock Stars Club** for Years 2 to 6! Mastering multiplication is the ultimate "maths toolbox" skill, serving as the essential building block for everything from division and fractions to real-life budgeting. Regular, short bursts of practice are proven to be far more effective than long weekly sessions, helping children move from "Rock Wannabes" to "Rock Heroes" with instant recall. By joining our club, students can earn coins to customise their own rock star avatars, battle classmates in the Arena, and boost their confidence in a high-energy, gamified environment that makes learning feel like a win. Come along to turn those tricky tables into second nature and supercharge your maths skills while having a blast!

**Coding club** for children in KS2 on Thursdays 3:20 – 4:20 with Miss Tuckey (12 places)  
**Please book through parent booking system**

Does your child love technology, solving problems or creating things? Our exciting new Coding Club is the perfect place for curious minds to explore the world of computing! Children will have the opportunity to design games, create animations, programme robots, solve coding challenges and learn the skills behind the technology they use every day. Whether they are complete beginners or already budding programmers, Coding Club will help them develop creativity, resilience, teamwork and logical thinking in a fun and engaging environment. Get ready to code, create and innovate – we can't wait to see the amazing projects our young digital creators will bring to life!

"Imagine it, create it, code it!"

**Digital Leaders**

**Yrs 4, 5 and 6, Thursday lunchtime club with Miss Tuckey**

Our new Digital Leaders Team is an exciting opportunity for children in Years 4, 5 and 6 to help shape the future of technology at Eastlands.

Digital Leaders will work alongside staff to promote online safety, support the use of technology across the school, test new digital tools, and help other children develop their computing skills. They will have the chance to share ideas, take on leadership responsibilities and become ambassadors for all things digital. We have been delighted by the enthusiasm shown through the application process and look forward to announcing our successful Digital Leaders soon. This is a fantastic opportunity to make a real difference while developing valuable skills for the future!

**"Leading the way in technology, creativity and online safety!"**   

Thank you,

Mrs Warrington.
